Vellerino SDI welcomes SeeYou International as a **PREMIER Partner**.

SeeYou International will be representing **Vellerino SDI** and leading the business development of our products for **Marking and AUTO ID solutions**, having our full technical and commercial support to offer the best possible customer service.

Vellerino SDI, having 25 years of experience in Marking and AUTO ID solutions, is a trustworthy alternative for all kinds of industries with high knowledge about the special needs of the different markets (Food & Beverage, Healthcare, Pharmaceutical, Chemical, Manufacturing, Retail...).

Since 2017 **SeeYou-International** has built an excellent reputation as an a-class supplier, through the delivery of high-quality printing products such as thermal transfer ribbons.

As a result of this, Vellerino SDI and SeeYou-International join their own particular capabilities, thereby creating a unique team of professionals aimed at offering a perfect service to new and existing customers.

We are delighted to welcome SeeYou-International in our team!
